

# DOWN THE RABBIT HOLE EVENT POLICIES

Spend the day with us enjoying pours from some of Southern California's favorite craft breweries, great eats from local food vendors, a curated artisan market, and a full lineup of country, and Americana music. We're also raising a glass to support our local charities thru the Westlake Village Rotary Club and the Ventura County Fireman's Widdows & Orphans Fund — it's going to be a good one.

## **Will tickets be available at the gate?**

They may or may not be available. We're planning for a sellout, so we don't expect to have tickets available day-of, so we recommend grabbing them in advance. If anything changes, we'll share updates.

## **Lost or broken tasting glass?**

If we have extras on hand, replacement glasses can be purchased at the merch booth inside the festival.

## **Want an extra commemorative glass?**

If any remain at the end of the event, they'll be available for purchase.

### **Kids Policy**

Children 10 and under get in free with a paid adult. Anyone 11 and up will need a ticket. Parents are responsible for supervising their kids at all times. If you're bringing little ones, we strongly recommend having a designated adult focused on them — and don't forget ear protection, as live music can get loud.

### **Re-Entry**

Yes, you're free to come and go up till 3pm. After 3pm, there will be no re-entry. Wristbands are non-transferable and won't be replaced if removed.
